No problem! [redacted] since it seems like may be plenty of space at the Saturday lunch, would it be **OK for us to also invite the 2 university participants?** Both will be at the Food Waste Showcase event later that day. They are:

- Dr. Thomas Coon, Vice President, Dean and Director, Division of Agricultural Sciences and Natural Resources, Oklahoma State University
- Dr. Callie Babbitt, Associate Professor of Sustainability, Rochester Institute of Technology

Mark

It seems that the Italians are preparing a lunch for max 50 people! So it would not be as restricted as previously imagined...

In order to get the Italian guests, I need to let them know our proposal. I suggest to give a large delegation that can be reduced later on, (apart from the highlighted ones). They are planning to set several round tables and trying to mix the guests that speak English...and can translate for the others ...

Can I tell them we would like the following 17 people:

1. *Administrator*
2. *Jackson*
3. *Nishida*
4. *Dravis*
5. *Greenwalt*
6. *Gunasekara*
7. *Kasman*
8. *Ferguson*
9. *Finman*
10. *CDA* **Ex. 6 - Personal Privacy**
11. **Ex. 6 - Personal Privacy**
12. *Consul General R* **Ex. 6 - Personal Privacy**
13. **Ex. 6 - Personal Privacy**
14. *John Hopkins, Chairman, U.S. Chamber of Commerce & CEO, NuScale Power*
15. *Penelope Naas, President and Head of International Government Affairs, UPS*
16. *Dr. Callie Babbitt, Associate Professor of Sustainability, Rochester Institute of Technology*
17. *Gary Litman, Vice President, Global Initiatives, U.S. Chamber of Commerce*
